2. OPERATIONAL NOTES

Uniform: Standard acceptable; heat load is moderate.

Hydration: Encourage pre-hydration; warm temps + sun exposure.

Headgear: Sun angle still high at 3 PM - brim shading recommended.

Flag Handling: Light winds - stable for folds and rifle volleys.

Rifles: No wind-drift concerns; normal firing posture.

Pallbearers: Warm but manageable; rotate if needed.

Safety: UV index elevated (8 earlier in day) - sun exposure awareness.

3. **COMMANDER'S SUMMARY**

Warm, mostly sunny, and low-impact weather. Light winds and good visibility support a smooth, dignified ceremony. Hydration and sun exposure are the only minor considerations.
